SOLOMONS

In 1945 Jack hit the big time, promoting Jack London vs Bruce Woodcock in the British heavyweight title fight at White Hart Lane.

Following this success, he started to take on the big British fighters of the time, Freddie Mills & Randolph Turpin. Jack promoted the sensational bout in 1951 when Sugar Ray Robinson lost his middleweight title to Turpin. Another career highlight was bringing Cassius Clay (Muhammed Ali) to England to fight Henry Cooper. He beat him over five rounds with a technical knockout.

Jack Solomons promoted 26 world title fights & worked almost up until his death in 1979. His invitation to appear on Desert Island Discs in 1957 shows what a huge role boxing played in British life at the time. Amongst Jack's chosen songs were Petula Clark (*Take Care of Yourself*) & Johann Strauss II (*Perpetual Motion*) & East End favourites Flanagan and Allen (*Down Every Street*). His luxury item, rather fittingly, was a punch bag.
